It is time for you to plan to come to Barcelona and join us for EABCT's Annual Congress. Europe will once again be open and the travel restrictions that have impacted on our Congresses for the past 2 years are over so we can welcome you to Barcelona. If you cannot join us in person you will have the opportunity to participate in a major part of the programme which will be available online. The programme is now ready and you can keep up-to-date with progress by visiting the website
